

TELL 2027

TRANSDISCIPLINARY EVALUATION LEARNING LAB

Join the Redberry Lake Biosphere Region TELL!
A fully funded learning experience in Saskatchewan for students and postdoctoral fellows, designed to build transdisciplinary competencies through collaborative learning and practical experience in evaluating transdisciplinary research projects.

Expand Your Global Network!

Engage virtually with TELL participants in South Africa and Germany to support international connections and shared learning.

ACCEPTING APPLICATIONS:

OCTOBER 1 – NOVEMBER 1, 2026

sciences humaines du Canada

Canada

The TELL provides students and postdoctoral fellows with opportunities to strengthen their **professional, relational, and intercultural skills** and to learn how **Ripple Effects Mapping** can be used to support transdisciplinary research projects in the **Redberry Lake Biosphere Region**.

- ➔ Work onsite at the University of Saskatchewan and the Redberry Lake Biosphere Region with a team of trainees, mentors, and practitioners.
- ➔ Virtually connect with TELLs in South Africa and Germany, offering unique opportunities for international collaboration and shared learning.
- ➔ Develop a deeper understanding of participatory evaluation and transdisciplinary research and practice.

PARTICIPATION REQUIREMENTS

Accepting active **students (Senior Undergraduates, Master's, or PhD) or postdoctoral fellows at the University of Saskatchewan or Vancouver Island University** during the TELL. **Online participation (May 10-28) and onsite participation (June 13-27)** are required. This includes a mandatory overnight trip to the Redberry Lake Biosphere Region, where sharing a bedroom will be required.

COSTS

Expenses for travel and living in the region will be covered by TRANSECTS. Participants will also receive a monthly stipend for local transportation, meals, and other additional costs of participation.

ADMISSION REQUIREMENTS

Strong English skills, both written and spoken. Applicants must be recommended by a professional for the program. The application package and referee form must be submitted within the given timeframe.

CREDIT

USask students who enroll in the TELL for credit can complete it as a **6-credit course**.

APPLY

Accepting applications: **October 1 – November 1, 2026**. Download the application package and referee form: <https://sens.usask.ca/transects>.
